

Petra Universal Long Life Antifreeze + Coolant Concentrate

PN 4008G (1Gal) Specification Sheet
PN 400855 (55Gal) Specification Sheet

Product Description:

Petra Universal Long Life Antifreeze + Coolant Concentrate features an extended life technology formulation which is recommended for use in all automobiles and light/medium duty trucks. It is free of amines, phosphate, borate, nitrite, and silicate and can be mixed with any color antifreeze/coolant in any vehicle. Its inhibitors provide maximum protection against damaging rust and corrosion, while preventing freeze-up and boilover at extreme temperatures.

Petra Universal Long Life Antifreeze + Coolant Concentrate meets the performance requirements of ASTM D3306, DQ985 and with a complete flush and fill, this coolant will provide service life protection of up to 5 years or 150,000 miles*.

Features & Benefits:

- Specially formulated for use in all makes and models of cars and light/medium duty trucks using extended life coolant
- Compatible for use in any color antifreeze/coolant
- Protects all cooling system metals from rust and corrosion
- Meets the performance requirements of ASTM D3306, DQ985

PROPERTIES	ASTM METHOD	CONCENTRATE	READY TO USE	ASTM D3306 LIMITS
Appearance/Color	Visual	Yellow	Yellow	-
pH, 50 vol %	D1287	8.3	8.3	7.5-11.0
